Subject: AIMS Membership Certificate - 2010

Dear Race Director:

I am especially pleased to attach the 2010 AIMS Membership Certificate corresponding to the race you are managing. This certificate was an initiative decided by the Board of Directors at our last meeting.

I apologize if this is coming a little late in the year, but as always in the initial actions, the details have required several administrative tasks which have result on this little delay.

I hope you would like the certificate design, based on AIMS logos and colours, making official your membership to our Association.

I wish you a continuous sportive and personal success.

Yours sincerely,

Paco Borao
